OUTPUT

HIMANSHU YADAV

WELCOME

- Hello! I'm Himanshu Yadav, a passionate first-year B.Tech student exploring the world of programming and web development

- I am currently exploring coding step by step and improving my skills every day

- Feel free to explore my skills, learn more about me, and connect with me for collaborations or project ideas!

HIMANSHU YADAV

ABOUT ME

- I enjoy learning new technologies and building projects that solve real-life problems effectively

- Currently, I have good knowledge of C, HTML, and CSS, and I am working on improving my web development skills day by day.

- My goal is to become a skilled Software Developer and contribute to exciting tech projects in the future

- This website is a small representation of my learning journey and the things I enjoy building.

- I will keep updating it as I learn new technologies and create new projects.

My Skills & Projects

C Programming

Currently learning C and exploring basic syntax and programming logic.

Virtual Art Gallery Website

A simple webpage created using HTML that displays artworks in a gallery format.

Dream Vacation Webpage

A webpage describing my dream travel destination using HTML & basic CSS structure.
